Drop

Hello!

WE ARE THE SC DROPLETS!

Striving to help the world by conserving water in an interactive, unique way

2.8 billion

People who do not have access to clean water at least one month every year

AND THERE'S WORST TO COME IF WE DON'T ACT

Initial Idea

- IOS mobile app using Swift
  - None of us were experienced and only a few of the mentors knew the language
- Switched to website
  - HTML/CSS/Javascript

Initial Ideas

- Timer for shower
- Point tracker
- Social platform
- Competitive aspect
- Milestones and badges
- Trend graph
- Water bill

Difficulties

- Learning a new language
- Formatting
- Database
- LAST MINUTE CHANGES AND COMPLICATIONS

IMPACT

- Water scarcity
- Competition to motivate users
- Invoke action
- Environmental awareness
- Habits
